

GE500 Varied Stripes

GAGEetch

GAGE VERTICAL SURFACING

48" x 96" sheet size

Patinated Muntz design shown 1:1

- Sheet size is 48" x 96"
- Sheets are 18 gauge (0.050"/1.2 mm thick)
- Approximate weight is 2.016 lbs/SF
- Muntz (Brass) sheets are etched and then a standard clear coat applied to prevent oxidation or they can be etched and patinated to produce a beautiful light to dark bronze finish.
- When cutting, it is recommended that a sharp shear or bandsaw be used.
- Sheets can be easily cleaned with a mild soap and water solution or non-abrasive cleaner (i.e. Windex®) and a soft, lint-free cloth.
